

NATIVITY OF THE LORD JESUS 2018 PARISH SURVEY

Dear Parish Family,

As we celebrate our 40th Anniversary, I would like us to honestly evaluate where we are now as a parish community and where we would like to be in the future. The Strategic Planning Committee and I need your help in forming our goals, since YOU are the parishioners who built and make up this parish. Please read over the questions to this survey (both sides), think about and pray over your answers, and return it to the parish office or church collection baskets no later than Sunday, March 11th, 2018. Your responses will be kept confidential and ALL responses will be carefully considered. This survey is just the first phase of the planning process. The Planning Committee will then organize the responses into various topics, from which we hope to form focus groups. By May of 2018 those groups will meet to discuss in detail your ideas and then ultimately design a plan that we can follow allowing our parish to thrive well into the future. We hope that we can count on your participation throughout this entire process.

Thank you and God bless – Fr. Kawalec
